What is Exeter Shopmobility?

Anyone needing help to get around the city centre can borrow a manual or powered wheelchair or scooter for shopping, sight-seeing, business or meeting friends.

How much will it cost?

A returnable deposit of £3.00 is payable for the loan of the wheelchair or scooter, however, as Exeter Shopmobility is part of a registered charity, donations are always welcome.

Will you make sure a vehicle is available for me?

Booking by phone will ensure that a suitable vehicle is available, but we will always try to help you if you just call in. At the Shopmobility centre you will be met by a volunteer or member of staff who will complete a simple registration form with you. On your first visit please bring some identification.

Our Vehicles

Our mobility scooters come in three or four wheeled versions, in many different sizes, with various components to help us to find the right scooter for you.

We have a range of powered and manual wheelchairs, so, whether you're with a carer or on your own and in need of a little extra help, we can find something to suit your needs.

Exeter CTA's Leisuremobility also provide a number of bikes and trikes for use by persons suffering from limited mobility. These include a fixed-wheel trike, a side-by-side cycle, and a hand-cranked trike.

Opening hours:

Occasional extra hours for special events in the City, please ask.

Who is it for?

Shopmobility is for anyone aged 3 to 103, no matter whether their mobility difficulty is temporary or permanent. The service is available to residents and visitors in Exeter.

How do I use a scooter or powered chair?

Training in the use of the vehicle will be provided and, when you are confident, the City is yours!
